About the Role

We are looking to recruit a Production Technician – Vision to join our dynamic Production Team.

The ideal candidate will have demonstrable experience in operating video equipment to a high-level during conferences and events, with expertise in video hardware, networked video and presentation and virtual meeting platforms such as Zoom/Teams.

This role involves providing technical support during get-ins, fit-ups and get-outs, as well as operating technical equipment during live events across multiple disciplines including Vision, Lighting, Sound, Counterweight Flying and Rigging.

Working closely with the Senior Technician - Vision, you will assist in maintaining all vision equipment in the venue, ensuring proper use, care and safety.

You will need to understand the venue's technical infrastructure, including networking, equipment installation, NDI, projection equipment and patching systems.

The role requires direct interaction with clients, production companies and Senior Management, demanding excellent communication skills and meticulous attention to detail.

Essential requirements

Essential requirements include experience in professional entertainment and corporate presentations, knowledge of a busy multi-venue facility, awareness of Health and Safety practices and legislation, and understanding of all elements of production for live events.

Previous experience working in a similar sized venue with large corporate events, sporting events, concerts, and exhibitions would be advantageous.

The ability to multi-task, being self-motivated with the capability to work both as part of a team and independently are essential for success in this role.

Candidates will need to demonstrate emotional intelligence, pragmatism, resilience,

confidence, excellent customer service and first-class communication skills including conflict resolution.

You will also provide supervision, guidance and support for casual and freelance staff and service partners to ensure safe working practices are followed throughout events.

In addition to the above, the candidate will need to be enthusiastic, like minded and complement our experienced and talented team.

If you have the drive, passion and ambition to play a part in Liverpool Experience Campus's continuing success story this could be just the job for you.

Join us at Liverpool Experience Campus and be part of something extraordinary.

Please note, we may close this vacancy before the stated closing date if we receive sufficient applications for the position. Therefore, if you are interested in this position, please submit your application form as soon as possible.

Closing Date: 12 October 2026

Interview Date: 15 October 2026
