## About the Role

As our Production Technician – Lighting, you will have direct interaction with a wide variety of clients, production companies and Senior Management, and as such a high level of communication skills and attention to detail are essential for the success of this role.

The ideal candidate will have strong skills in the field of lighting and be multi-skilled across other disciplines such as video, sound, networking and rigging. Although these are specialised roles, it is expected that a technician will work across all areas throughout their working week and supporting their relevant senior technician on larger shows and during maintenance and repairs.

Previous experience of large corporate events, sporting events, concerts, exhibitions and working within a similar sized venue would be advantageous.

The ability to multi-task, being self-motivated with the ability to work as part of a team and independently are essential for success in this role. Candidates will need to demonstrate excellent customer service and first-class communication skills.

If you are a hardworking and committed professional ready to contribute to our continued success, we'd love to hear from you.

Join us at The ACC Liverpool Group and be part of something extraordinary.

Please note, we may close this vacancy before the stated closing date if we receive sufficient applications for the position. Therefore, if you are interested in this position, please submit your application form as soon as possible.

**Closing Date: 20 February 2026**

**Interview Date: 02 March 2026**
